EXPERIENCE

Freelance Photographer

May 2022 - Present

Included requests by family, friends, and colleagues. Practiced photographing portraits and wedding photos. Used software to edit and curate my photos to my clients' satisfaction.

EDUCATION

Crater Renaissance Academy - *Central Point, OR*

August 2018 - May 2022

Learned photography essentials such as: composition, theory, lighting, and camera settings. Participated in yearbook creation. Introduced to advanced photography skills.

PROJECTS

Professional Portfolio

May 2022 - Present

The goal of this project is to create a "living" document used to show experience of photography and photo editing skills. A professional-level portfolio is a proof of passion and commitment.
